Note on cover sheet from [REDACTED]

The reimbursement sought here is specifically prohibited by law and decisions of the Comptroller General involving substantially similar facts. Nor is it one of the expenses allowable under AFR 40-130, dated 9 July 1953. It may be accomplished by the Director under his extraordinary authorities relating to the expenditure of confidential funds as a "policy decision" within the meaning of paragraph 6(b) of AFR 40-130, if the Director determines it to be sufficiently necessary to the successful discharge of the Agency's peculiar functions as to be lifted out of the realm of ordinary government treatment. The Director has delegated the authority to make such a determination to the DD/S.
